1. Can you imagine life without both a computer, or music or even lights? Kelvin Doe
2. is an inspiring young man who from Sierra Leone. When he was growing up, the
3. electricity in his neighbourhood didn't always have work, so the lights only used
4. to come on once a week. As a boy, Kelvin was interested in how every things worked
5. and he used to get such excited about making things. While he was hanging out with
6. his friends, Kelvin used to find much materials in the street and make useful things
7. from them. He used old electronic items to repair its broken TVs and radios. At 13,
8. he even was made a battery so that his family had lights at night. He also built
9. a radio station and played lots music on the radio. People called him DJ Focus
10. because he believes that when you focus on something, you can to do anything.
